Dear Ms. Garland,

The Forest Service is putting forth a proposal for the use of 2009 and 2010 RAM funds to contribute to the full redevelopment of the Baker Lake Resort as documented in the Baker Lake Resort Redevelopment Plan under License Article 303.

The first decision requested is : "shall the Recreation Resource Group (RRG) allocate the 2009 RAM funds, \$50,000 (2006 dollars), to the USDA-FS for the Baker Lake Resort Redevelopment."

The second decision requested is : "shall the Recreation Resource Group (RRG) allocate the 2010 RAM funds, \$50,000 (2006 dollars), to the USDA-FS for the Baker Lake Resort Redevelopment."

A decision to allocate both the 2009 and 2010 RAM funds at this time would provide a known level of funding for reconstruction coordination and 2010 construction contracts.

Please address any questions to Greta Movassaghi at 360-856-5700-x233.

Sincerely,

*/s/ Jon Vanderheyden*
