### NEXT MEETING DATE

We agreed to meet again after the RRG meeting on October 19, 2010.

### ACTION ITEMS

- All Review the Law Enforcement Plan draft and get any comments to Pam by May 10 (the sooner, the better as this triggers the availability of funding).
- Ann Share scope of expenditures when it becomes available.
- Pam Let all know when the LEP has been sent to FERC.

### REVISED PRIORITY LIST

We reviewed the list of law enforcement priorities that was drafted at the March 16 conference call attended by Pam Garland, Jeremy Smith, Brock Applegate, Jeff Turner, Bill Heinck, and Ann Dunphy. The consensus of those putting together the list was that the biggest need was to get additional law enforcement resources out in the area and that they be people with actual law enforcement capability.

Ann explained that it is the intention of the Forest Service to work with Whatcom County and WDFW to help pick up some of the costs associated the needed equipment additional personnel for emphasis patrols – especially outside the times typically covered by PSE. They are working on an agreement for overtime hours.

### DRAFT LAW ENFORCEMENT PLAN

This plan was sent out for formal review on April 9 and comments are due by May 10. This is what dictates how funds are spent. The way we implement the plan will change from year to year. We will inform that as we conduct our post-season review (LEP meeting each Fall).

### **RECREATION FUNDING ALLOCATIONS FOR 2010 LAW ENFORCEMENT**

After the LEP is filed with FERC, funding outlined in the plan will become available. The plan is out for formal review with comments due by May 10. PSE intends to file the plan with FERC shortly thereafter.
